EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 13-19 have been cancelled.

2. The following is an examiner's statement of reasons for allowance:

The recitations of the specific features of the vehicle floor in claim 1 including especially the construction of the panel includes an inner panel portion and an outer panel portion, and wherein the panel is sufficiently bendable between the inner panel portion and the outer panel portion to at least partially enclose and further define the channel therebetween was not taught nor is fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
